Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

DECLARATION BY AGENT OF RECORD IN SUPPORT OF THE PETITION UNDER 37 CFR §1.47(a)

I, M. Angela Parsons, declare as follows:

- 1. I have been a Registered Patent Agent for almost 8 years. I have been a Technology Specialist with Fish & Richardson, P.C., P.A. for 6½ years. My business address is 3300 Dain Rauscher Plaza, 60 South Sixth Street, Minneapolis, MN, 55402. I am the Agent of record in the above-referenced application.
- 2. The above-referenced National Phase application names Samuel J. Shuster, Laura S. Stone, Hong-Yan Zhang, Lucy Vulchanova Hart, and Ulf N.G. Arvidsson as inventors.
- 3. All of the named inventors executed Assignments to Neuromics Inc., the original Assignee of the above-referenced application. Copies of these Assignments are provided in Appendix A.
- 4. Neuromics Inc. then assigned the above-referenced application to Algos
 Therapeutics, Inc., the current assignee. Copies of these Assignments are provided in Appendix
 B.
- 5. None of the named inventors are employees of the original Assignee, Neuromics Inc. Neuromics Inc. no longer exists.
- 6. On September 19, 2005, I sent a copy of the above-referenced U.S. patent application along with a Declaration and a postage-paid return envelope to Ulf N.G. Arvidsson at his last known address (Gardstigen 4, Lidingo, Sweden). On March 24, 2006, I sent a copy of the above-referenced U.S. patent application along with a Declaration and a postage-paid return

envelope to Samuel J. Shuster, Hong-Yan Zhang and Lucy Vulchanova Hart by Federal Express ("FedEx") to their last known address. On April 7, 2006, I sent a copy of the above-referenced U.S. patent application along with a Declaration and a postage-paid return envelope to Laura S. Stone by Federal Express ("FedEx") to her last known address. Copies of these letters are provided in Appendix C.

- 7. With the exception of Ulf N.G. Arvidsson, each of the named inventors executed a Declaration as required under 37 CFR §1.497(a) and (b) and returned the signed original to me.
- 8. The FedEx website indicated that the FedEx package that was addressed to Ulf N.G. Arvidsson at his last known address (Gardstigen 4, Lidingo, Sweden) was signed for on September 21, 2005 by one "N. Arvidsson."
- 9. I began diligently trying to locate Ulf N.G. Arvidsson. I also have firsthand knowledge that my assistant, Ms. Jill Huso, diligently attempted to locate Ulf N.G. Arvidsson. I have firsthand knowledge that we both attempted to find any current contact information for Ulf N.G. Arvidsson using a number of different Search Engines and Web pages on the Internet including a Google® and a Yahoo® search of 'Ulf N.G. Arvidsson'. The search was repeated recently, again without success, and copies of the first 10 or 11 hits from each of those searches are provided in Appendix D.
- 10. The search identified documents containing 'Ulf N.G. Arvidsson' or variations thereof. Among the documents identified in our internet search was a PCT published application in which Ulf N.G. Arvidsson is a named inventor. None of the documents identified in our search provided any updated contact informant for Ulf N.G. Arvidsson. We did not find anything that indicates where Ulf N.G. Arvidsson currently might be residing and/or employed.
- 11. At my request, Mr. Jeffrey Bois, Library Operations Supervisor with the Fish & Richardson Library Department, performed a search for Ulf N.G. Arvidsson. One of Mr. Bois' searches was of the Choicepoint Public Records database. The results of those searches are attached in Appendix E. The sources used in the database are shown on pages 5 and 6 of Appendix E.
- 12. Results from Mr. Bois' search of the Choicepoint Public Records database indicated a St. Paul, Minnesota address for Ulf N.G. Arvidsson. According to the database, this information was last updated in 1999.

13. Another search by Mr. Bois using the Google® search engine indicated that an Ulf Arvidsson was employed by KTH and/or the Karolinska Institute. See copies provided in Appendix F and G, respectively.

- 14. I personally called the number shown for Ulf Arvidsson at KTH (see Appendix F). I personally talked to an Ulf Arvidsson, who informed me that he had never lived in the United States and had never worked for Neuromics, Inc. at any time.
- 15. I personally called the number shown for Ulf Arvidsson at Karilinka Institute (see Appendix G). I talked to an unidentified, non-English speaking woman who, when I asked for Ulf Arvidsson, gave me a different number to call within the Karolinska Institute. I called the telephone number she provided a number of times. Each time I called, I talked to a receptionist, who paged Ulf Arvidsson. Ulf Arvidsson never answered any of the pages. Copies of these telephone records are attached in Appendix H. As these calls to Sweden were made from my home telephone, I have redacted the personal information on the telephone bill that is not relevant to my attempts to find Ulf N.G. Arvidsson and my Declaration as such.
- 16. In addition to the telephone calls, I sent two e-mail messages to Ulf N.G. Arvidsson's last known e-mail addresses on March 3, 2005, March 28, 2005, and again on March 14, 2006. The e-mail addresses were based on the search results shown in Appendix G and based on an e-mail address provided to me by the above-referenced receptionist. Copies of those e-mails are attached in Appendix I. Although I requested a reply whether or not the recipient was the individual I was looking for, I did not receive a response to any of the e-mails. At the time of filing this Declaration, I still have not received a response to any of the e-mails.
- 17. I have firsthand knowledge that all of my attempts to reach Ulf N.G. Arvidsson who is a named inventor on the above-referenced application were unsuccessful. I have firsthand knowledge that the attempts by others, including Ms. Jill Huso and Mr. Jeffrey Bois, to find Ulf N.G. Arvidsson were unsuccessful.
- 18. As noted above, the undersigned has talked to one Ulf Arvidsson. The Ulf Arvidsson I talked to was not the Ulf N.G. Arvidsson who is a named inventor on the above-referenced application. The undersigned believes that all reasonable efforts to locate any other Ulf N.G. Arvidsson have been exhausted.
